

## Burgee Pricing Guide

We can produce any size, shape, or quantity of burgees! Swallowtail, pointed tail, waved – whatever you can think of, we can design! All of our burgees are printed on marine-grade UV rated vinyl with a matte laminate for protection. We offer minimum of 100 quantity and we can split orders in size groups if needed. We typically produce 100-1000 per run of burgees. We can design one for you, convert artwork (both are quoted separately) and use your .eps or .ai graphics files. Higher quantities (250, 500, 1000) will have volume discounts. Inquire with us and we'll be happy to quote your job specifically.
